

Upcoming Events

Seven Weeks Coffee

On-going Fundraiser

Seven Weeks Coffee has a mission to promote Godly values, provide excellent coffee, and protect every beating heart. 15% of every sale will be donated to New Hope Clinic. Scan to buy!

Community Day

Saturday, June 20, 2026

New Hope will host its annual Community Day event, from 10 am to 12 pm on the clinic lawn. We have been blessed with so many donations we are sharing with the community.

Baby Bottles Campaign

New Hope's annual Baby Bottle campaign will be moving from the spring to the fall during Respect Life Month. This campaign will run 40 days from September 23 - November 1, 2026. Stay tuned for more!

Spring Brunch Fundraiser Success

On Saturday, April 25, we hosted New Hope's 3rd annual Spring Brunch fundraiser. Pastor Vic Cline, of Butte Community Bible Church was the MC for the event. Miss Montana 2025, Haley Joy Tate, shared about trusting Jesus to get us through the hard times and take us places we didn't realize we needed to go. She challenged us to be people who walk in "grace, grit, and Godliness." Hospice Chaplain, Jon Kinzle, closed out our time together with a very moving story from his life and with prayer.

We are so thankful to our volunteer team, Gina, Jenny, and Lisa, for their time given to help plan and execute this incredible fundraiser. We'd also like to thank our Medical Director, Maura DeShaw, Clinic Nurse, Amber Autenrieth, and our Administrative Assistant, Kris Sullivan. We are so thankful for you!

This fundraiser would also not have been possible without our donors, local churches, and friends showing up. Thank you for giving your Saturday morning to us and blessing us with your generosity and prayers. We are blown away by the love given to New Hope and the families we serve!

Interim Executive Director

Jacqueline Bergren, our most recent Board of Director's President, has stepped down from her role as President to assume Interim Executive Director responsibilities. This will provide consistency in the operations of the clinic as well as provide support for our staff while we continue to search for a new Executive Director.

Prayer Requests

- Pray God will bring an Executive Director who will lead the clinic through transition and into the future.

New Hope Clinic's Mission

New Hope Clinic is a faith based clinic dedicated to providing compassionate care, support, and resources to women, men, and families facing pregnancy decisions. Through faith, love, and practical assistance, we empower families to make informed choices for a brighter future.

Please support New Hope Clinic with your on-line giving. Scan to give.

Clinic Update

As many of you are aware, our former Executive Director, Julie Endy, resigned from her position on January 22, 2026. Her last day at the clinic was February 19th. We are thankful for the 7 years Julie served as Executive Director and for all she did to help New Hope move forward by providing ongoing care and compassion to moms, dads, and babies in our community.

During this transition New Hope Clinic is taking time to refresh and reframe our services to determine how we can best support moms, babies, and dads in our community. After consultation with other pregnancy clinics across Montana and our Medical Director, the Board of Directors has determined to temporarily pause medical services, including but not limited to, pregnancy tests, nurse visits, and ultrasounds. This pause allows us to ensure appropriate leadership, staffing, and oversight as we move through this transition. We look forward to resuming full medical services once new leadership is in place. Our commitment to our mission and those we serve remains unchanged. New Hope Clinic will be open and serving our clients and community Tuesdays and Thursdays from 11 am to 4 pm. We will continue to provide compassionate support, education, and resources. If you have questions about clinic operations please reach out to Jacqueline Bergren directly, at 406-723-7144.
